

Was bei einer Lync-Migration zu beachten ist

Dirk Krüger / Product Manager Unified Communications
Mail/SIP: krueger@ferrari-electronic.de

Ferrari electronic

Mehr als nur Hardware und Software

Unified Communications Ansatz

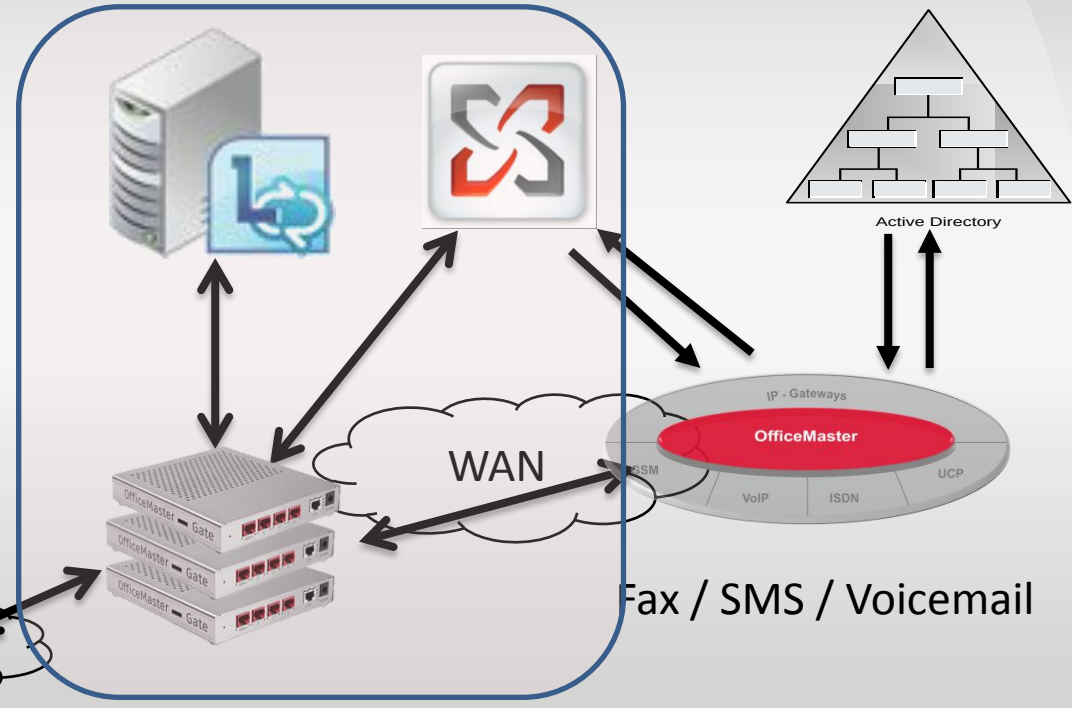

- UM Integration

- Fax
- SMS
- Voicemail

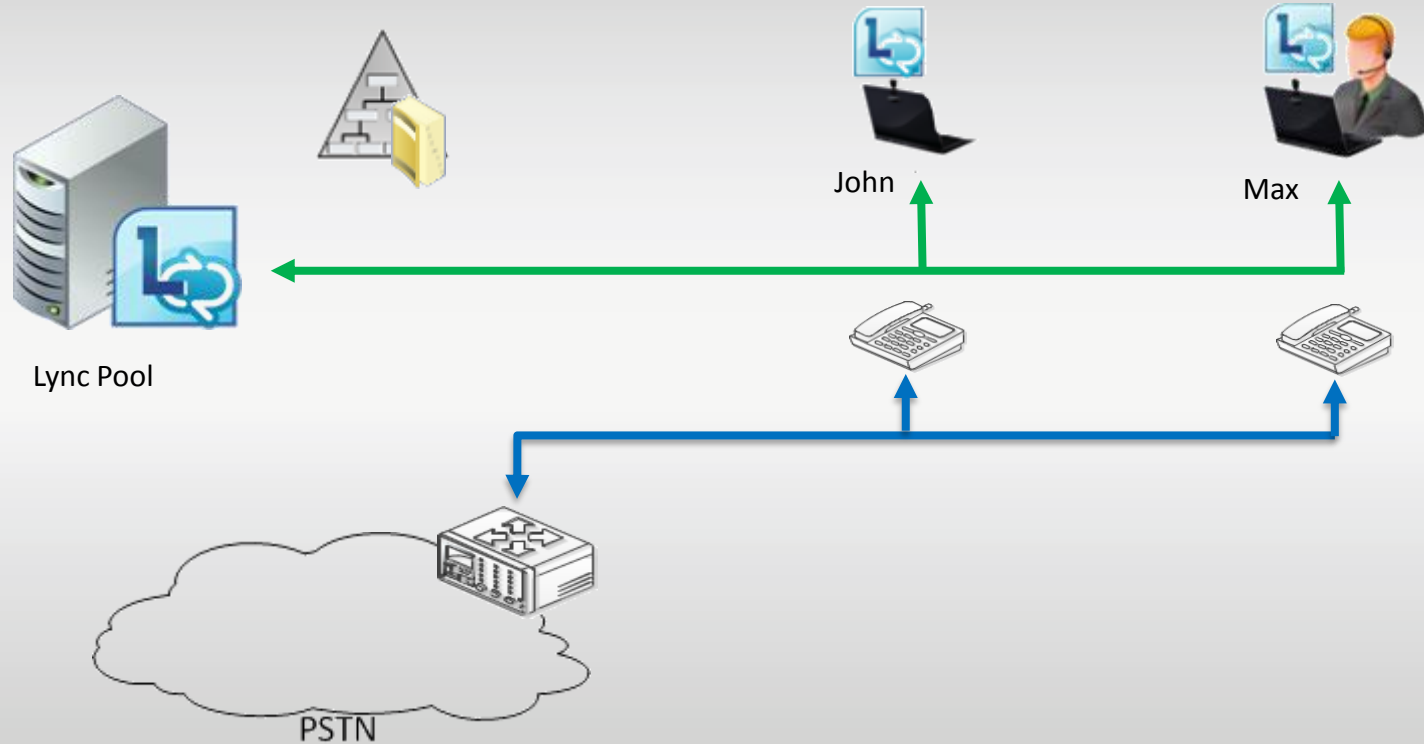

- UM Integration

- Exchange Voice
- Ready for Lync 2013

PSTN

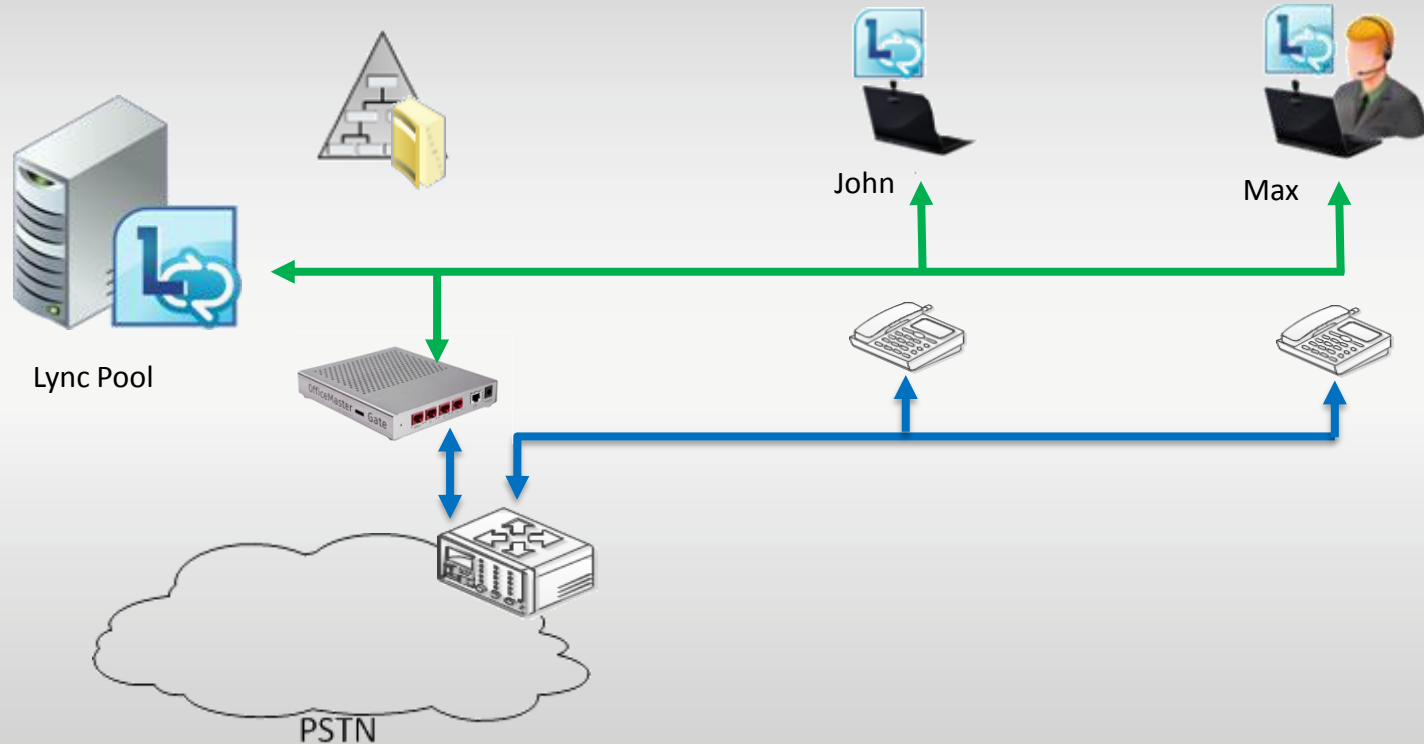

Enterprise Voice Beispielszenario

Enterprise Voice

Parallelbetrieb, TK-Anlage mit Lync-Anbindung

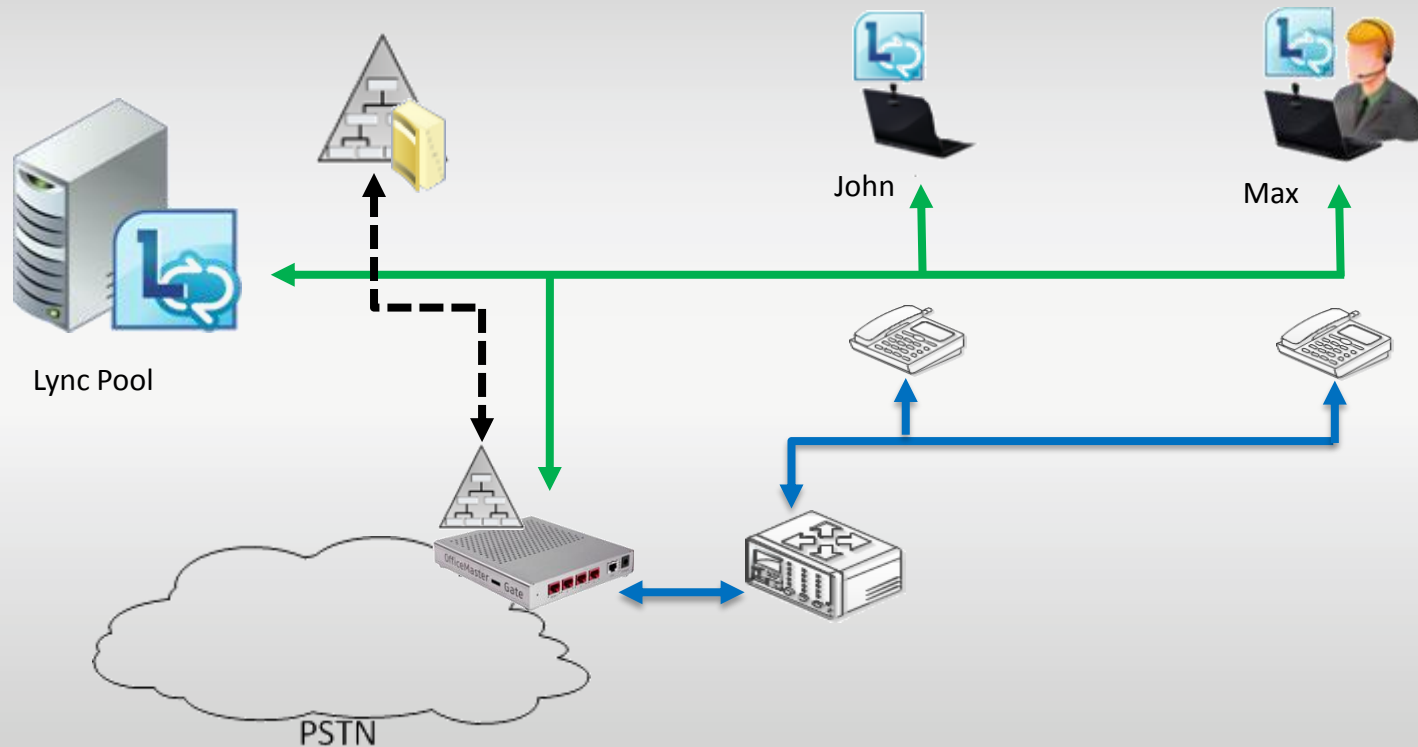

Lync-Migration

Was zu beachten ist

- IT & TK Projekt
- Extra PBX Port
- Nummernkreise
- Administration

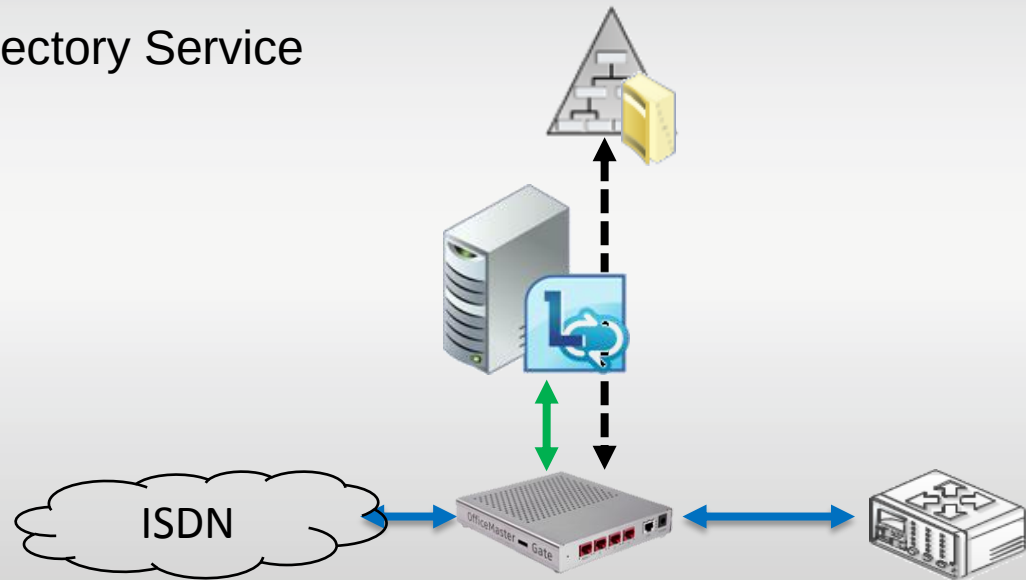

Enterprise Voice

Migration, Drop & Insert

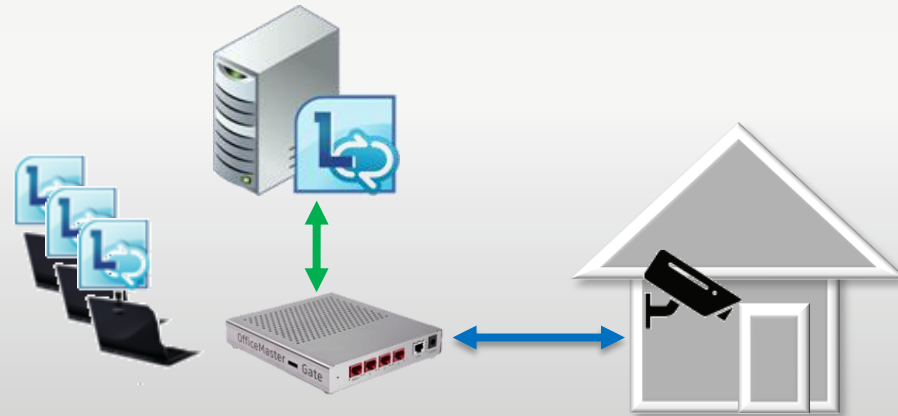

■ Zusatzkomponenten

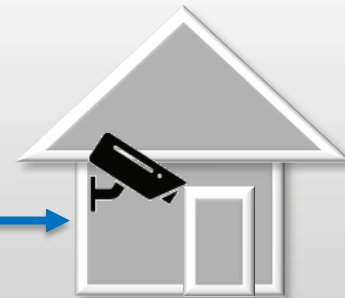

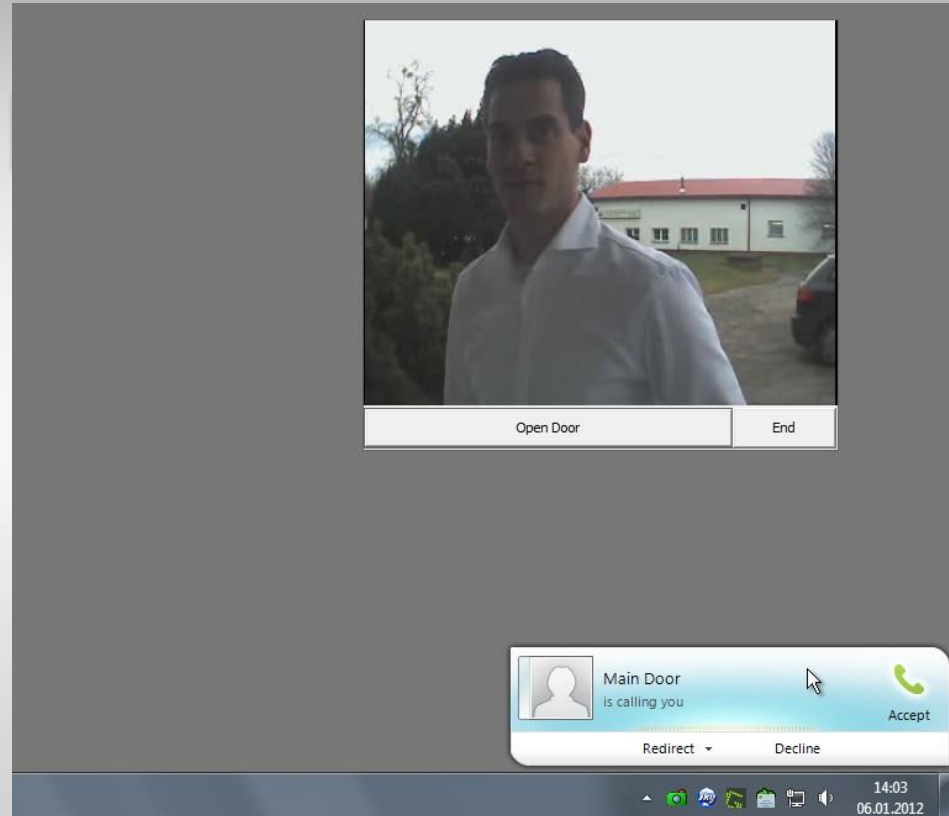

- Directory Service

■ Zusatzkomponenten

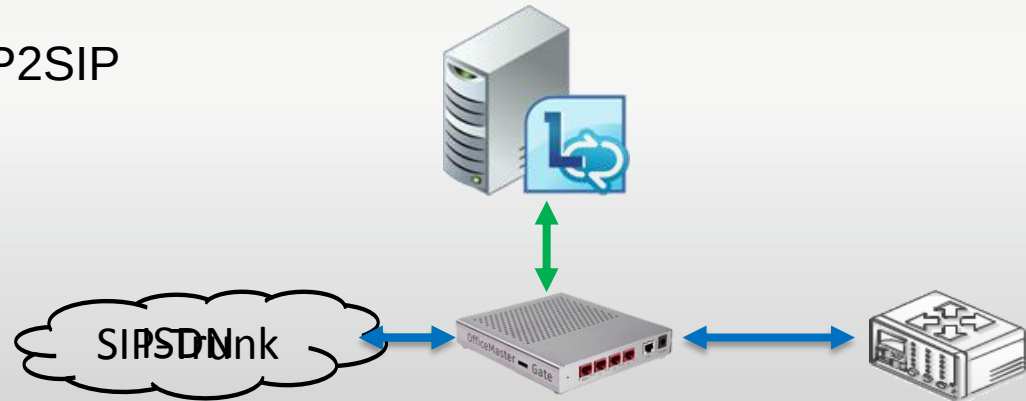

- Directory Service
- EntryControl

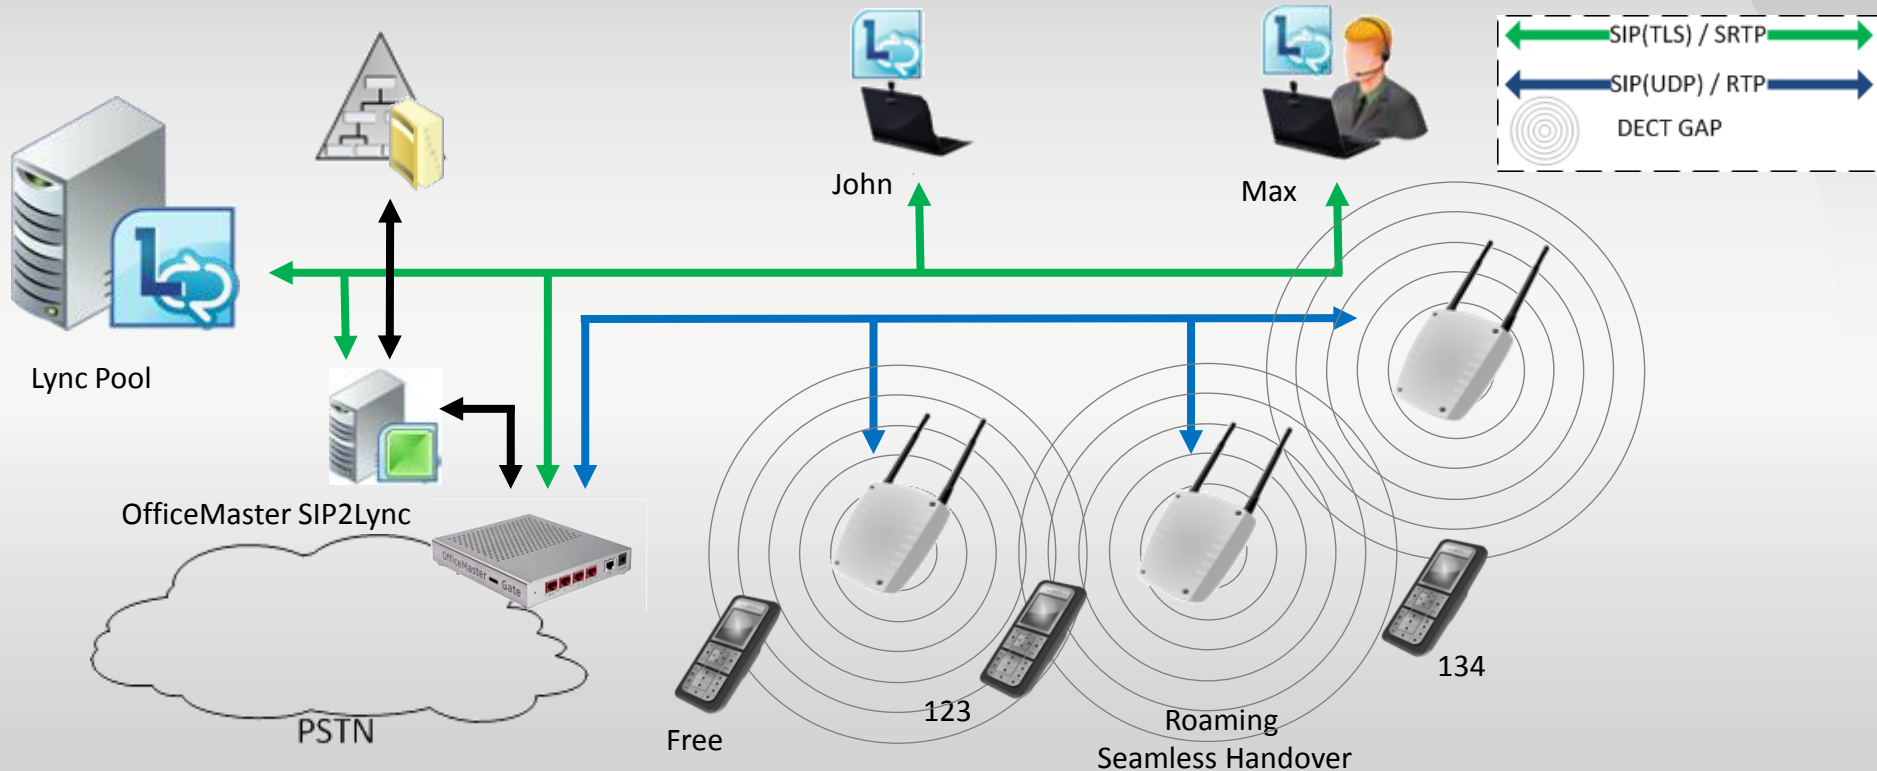

■ Zusatzkomponenten

- Directory Service
- EntryControl
- SIP2SIP

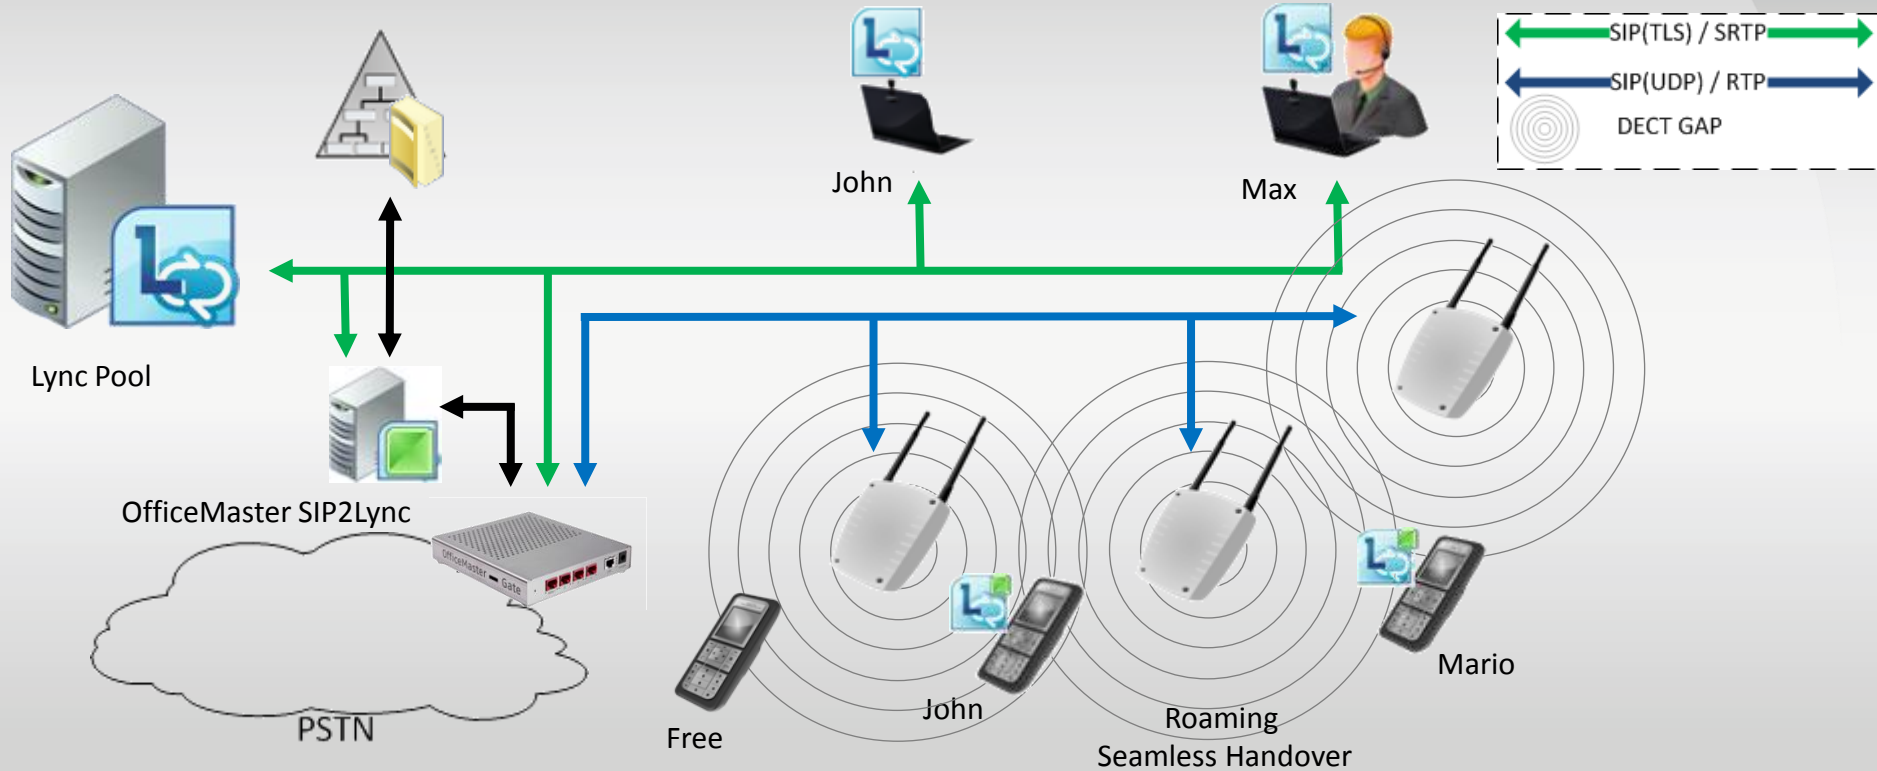

Mit DECT weitertelefonieren SIP2Lync

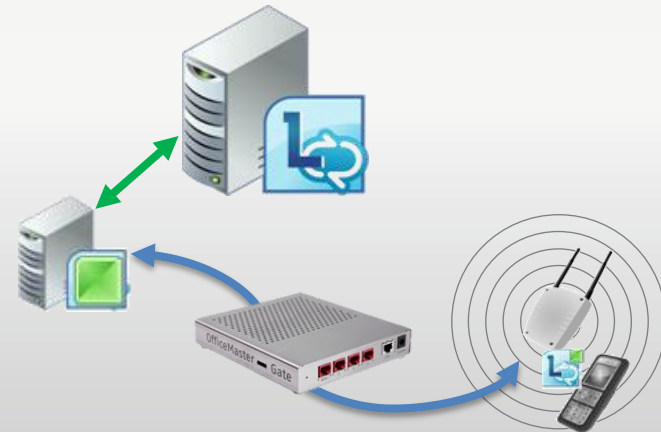

Mit DECT weitertelefonieren

SIP2Lync

■ Zusatzkomponenten

- Directory Service
- EntryControl
- SIP2SIP
- SIP2Lync

Erfolgreiche Lync-Migration

- Know-how
- Wer installiert und administriert
- Schnelle Ursachenanalyse
